SCHOOL NEWS LETTER

Welcome to the July edition of Vidhyanjali Academy's newsletter! This month was packed with excitement as our students engaged in a school visit, got creative with bag craft activities in Kindergarten, and celebrated leadership during the Investiture Ceremony. Many more enriching activities were also held, fostering growth and enthusiasm in our students.

CALENDER EVENTS

Kindergarten's Corner

Color the image of school

Our Kindergarten students delighted in a creative activity where they colored images of the school. This fun exercise helped them express their imagination while connecting with their learning environment.

School Visit

Our Kindergarten students enjoyed an exciting school visit this month. This hands-on experience allowed them to explore the campus, familiarize themselves with their surroundings, and deepen their connection to the school.

Bag Craft Activity

This month, our Kindergarten students enjoyed a fun bag craft activity. They creatively colored their bags, enhancing their artistic skills and adding a personal touch to their work.

7वीं कक्षा के "कठपुतली" अध्याय में, छात्रों ने भारतीय कठपुतली कला की ऐतिहासिक और सांस्कृतिक पृष्ठभूमि को समझा। इस दौरान, श्रीमती ममताने एक विशेष क्रियात्मक गतिविधि आयोजित की, जिसमें छात्रों ने खुद अपनी कठपुतलियाँ बनाईं। इस गतिविधि ने न केवल कठपुतली के निर्माण की प्रक्रिया को सिखाया, बल्कि बच्चों को इस पारंपरिक कला रूप की सांस्कृतिक महत्वपूर्णता और उसकी प्राचीन परंपराओं से भी अवगत कराया। छात्रों ने अपनी रचनात्मकता का उपयोग करते हुए विभिन्न प्रकार की कठपुतलियाँ तैयार कीं, जिससे उनकी कला और सांस्कृतिक समझ में वृद्धि हुई। इस अनुभव ने उनकी टीम वर्क और समस्या समाधान की क्षमताओं को भी सुदृढ़ किया।

गुरु पूर्णिमा पर

गुरु पूर्णिमा के दिन यह प्रण है, सत्संग और साधना का हवन है।
गुरु की चरणों में बसी है दुनिया सारी, गुरु के बिना जीवन अधूरा है प्यारे।
ज्ञान की ज्योति से रौशन कर दें, मन में प्रेम की धारा भर दें।
गुरु के बिना न चलता जीवन का क्रम, गुरु ही दिखाते हैं सही पथ का तिलक।

Effective Time Management

Time management is crucial for productivity and well-being. By prioritizing tasks and setting clear goals, individuals can manage their time more efficiently. Techniques such as the Pomodoro Technique, task batching, and time blocking help in maintaining focus and reducing procrastination. Effective time management not only enhances productivity but also reduces stress by preventing last-minute rushes. Regularly reviewing and adjusting one's schedule ensures that time is allocated to important activities and personal well-being. Mastering time management leads to better work-life balance and increased overall satisfaction.
