

# ECHOES

Welcome to the September edition of the Vidhyanjali Academy newsletter! This month, we celebrated Grandparents Day, Ganesh Chaturthi, Teacher's Day, and Hindi Diwas, fostering community spirit and respect for our elders and educators. Various engaging class activities were also held, all aimed at achieving SMART goals, which enhanced student participation and cultural appreciation throughout our school community.

## »» MESSAGE FROM DIRECTOR

September was a remarkable month as we celebrated Teacher's Day and Hindi Diwas, honoring our dedicated educators and the richness of our language. Congratulations to our students for their outstanding achievements in state-level competitions! Your hard work and commitment continue to make us proud.

**Dr. Ashima Goyal**

## KINDERGARTEN'S CORNER

### GRANDPARENTS DAY CELEBRATION

Kindergarten celebrated Grandparents' Day with joy and creativity. HKG and LKG students made thoughtful cards, while Nursery students crafted photo frames on September 9. The celebration allowed children to express their love and appreciation for their grandparents.

### ANIMAL SORTING ACTIVITY

On September 11, the Class HKG students participated in an exciting Animal Sorting Activity. They sorted animals into categories like domestic, wild, and aquatic through fun hands-on tasks, fostering their understanding of animals and improving their critical thinking skills.

### COTTON ON RABBIT ACTIVITY

Nursery students enjoyed a Cotton Rabbit Activity on September 11. They crafted adorable rabbits using cotton balls and colourful paper. This hands-on experience fostered creativity and fine motor skills, allowing children to explore their artistic talents while having fun.

### WORDS OF THE MONTH

- Anthropology – Study of human development
- Philanthropist – One who engages in charitable work
- Ethics – A set of moral principles
- Procrastination – The action of delaying something
- Bestow – To give something as present
- Ubiquitous – Present, appearing or found everywhere

### GANESH CHATURTHI CELEBRATION

On September 7, Kindergarten celebrated Ganesh Chaturthi with a clay modelling activity. Students brought clay and made their own Ganesha idols, fostering creativity and engagement while learning about the festival's cultural importance in an enjoyable and interactive way.

### ANIMAL FEEDING ACTIVITY

Nursery students participated in an Animal Feeding Activity, feeding real animals like a cow, on September 18. This engaging experience helped them learn about animal care while fostering a connection with nature through hands-on interaction with the animals.

### FEATHER CUTTING ACTIVITY

LKG students engaged in a Feather Cutting Activity on September 11. They joyfully cut colorful paper into feather shapes, enhancing their fine motor skills and creativity. This hands-on experience encouraged artistic expression and made learning enjoyable for the children.

### UPCOMING BIRTHDAYS OF TEACHERS

- 2nd October – Kavita Sharma 7th
- September – Hemant Prajapati
- 21st October – Kratika Sharma

### FIRST TERM BEGINS

Term-I has officially started at Vidhyanjali Academy! Students are filled with enthusiasm as they embark on this new academic journey. We look forward to a productive term filled with engaging lessons, activities, and memorable experiences together.

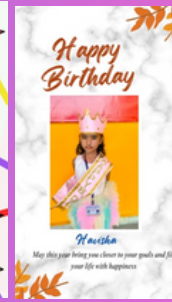

### SHLOKA COMPETITION

On September 23, Kindergarten organized a Shloka Competition, with Principal Ms. Neelima Chaurasiya and Vice Principal Ms. Poonam Singh as guests. Students enthusiastically recited various shlokas, demonstrating their memorization skills and understanding of cultural traditions. The event was enriching, fostering a sense of pride and appreciation for their heritage.

### BIRTHDAY CELEBRATIONS IN KINDERGARTEN

### STATE-LEVEL COMPETITIONS

In the recent state-level competitions, our students excelled in various sports! Students participated in the Under-17 Taekwondo event in Jaipur, the 10m Air Rifle competition in Ajmer, and the Under-14 Volleyball tournament in Jodhpur. Congratulations to all our talented athletes for their remarkable performances!

### OTHER SCHEDULED ACTIVITIES

#### HINDI PATRIOTIC POEM RECITATION

On September 2nd, classes I to III participated in a Hindi Patriotic Poem Recitation Competition, where students dressed as national heroes. The event encouraged creativity, instilled a sense of pride, and celebrated the spirit of patriotism among the young participants.

#### HINDI STORY TELLING COMPETITION

To celebrate Hindi Diwas, a storytelling activity was held in school for Classes IV and V. Students used colorful props to share captivating tales, fostering creativity and a love for the Hindi language.

## TEACHER'S DAY CELEBRATION

The school celebrated Teacher's Day, organized by the 10th-grade students. The morning program featured a fun Treasure Hunt and engaging performances to honour teachers. Students also gifted the staff tokens of appreciation. Director Dr. Ashima Goyal hosted an afternoon lunch at Bharat Hotel for all staff, where teachers were recognized for their hard work and dedication. The event fostered gratitude and respect for educators, creating a memorable experience for everyone involved.

## STUDENT'S UPCOMING BIRTHDAY

Date	Class	Student name
1st October	HKG	Kanishka Chauhan
1st October	IV	Divyanshi Nagar
2nd October	HKG	Khushi Nagar
2nd October	I	Goranshi Sharma
2nd October	II	Riyanshi Rathore
2nd October	VIII	Kashish Nagar
3rd October	III	Anuj Kumar
3rd October	VIII	Harshvardhan
4th October	II	Sakshi Sharma
7th October	X	Anjali Gautam
8th October	III	Kramakshi Nagar
9th October	HKG	Dishan Meena
9th October	V	Chirag Sharma
11th October	LKG	Shivansh Gautam
11th October	VIII	Sharad Malav
12th October	LKG	Deeya Kumari
16th October	HKG	Yashita Singh
18th October	III	Riya Gurjar
18th October	X	Tanisha Nagar
20th October	V	Mayank Nagar
20th October	V	Mohit Nagar
21st October	HKG	Shaurya Pareek
23rd October	II	Hardik Meena
24th October	III	Garvit Sharma
24th October	IV	Saumyadeep
24th October	VI	Sweata Banjara
26th October	IV	Harshit Ojha
27th October	I	Ojasav Agarwal
28th October	VIII	Gourav
29th October	I	Geetika Jangid
29th October	III	Anish Jagoo
29th October	V	Manve
30th October	LKG	Naksh Nagar
31st October	IV	Prince Rathore

## GRATITUDE TO PARENTS

As we wrap up the September edition of our newsletter, we extend heartfelt gratitude to our parents for their unwavering support and involvement in our school community. Your participation in various events and encouragement of your children play a vital role in fostering a nurturing environment for learning. Thank you for being our partners in education!

## TEACHER'S CORNER

### असफलता: सफलता की ओर पहला कदम

असफलता जीवन का एक अनिवार्य हिस्सा है और सफलता की ओर पहला कदम भी। यह हमें नई दृष्टि से देखने का अवसर देती है, जहाँ हम अपने कमज़ोरियों को पहचान सकते हैं और उन पर काम कर सकते हैं। असफलता न केवल हमें सिखाती है, बल्कि हमें अनुभव भी प्रदान करती है जो हमारे भविष्य के फैसलों को मजबूत बनाता है। हर असफलता हमें आत्म-विश्लेषण का मौका देती है, जिससे हम आत्मविश्वासी बनते हैं और आगे बढ़ने के लिए प्रेरित होते हैं।

जब हम अपनी गलतियों से सीखते हैं और उन्हें सुधारते हैं, तो हमारी सफलता की संभावना बढ़ जाती है। असफलता को अंतिम मंजिलन मानते हुए, इसे एक नई शुरुआत की तरह देखना चाहिए। निरंतर प्रयास और धैर्य के माध्यम से ही सफलता प्राप्त होती है, इसलिए असफलताओं से सीखें, उनका स्वागत करें और खुद को बेहतर बनाने का प्रयास जारी रखें।

असफलता हमें यह भी सिखाती है कि हर बड़ा लक्ष्य धैर्य और दृढ़ संकल्प के साथ प्रयास करने से ही हासिल होता है। जीवन में असफलताओं से घबराने के बजाय, इन्हें अपनी यात्रा का एक महत्वपूर्ण हिस्सा मानें और अपने लक्ष्यों की ओर आगे बढ़ते रहें।

### Future of Artificial Intelligence and Careers in Tech

The future of Artificial Intelligence (AI) is poised to revolutionize various sectors, significantly impacting careers in technology. As AI continues to evolve, it is expected to enhance productivity, improve decision-making, and automate mundane tasks. This transformation will create a demand for skilled professionals who can develop, implement, and manage AI technologies.

Careers in tech will increasingly focus on AI-related fields, such as machine learning, data science, and AI ethics. Educational institutions are adapting curricula to include AI training, ensuring that future generations are equipped with the necessary skills. Additionally, interdisciplinary roles that combine AI with sectors like healthcare, finance, and manufacturing will emerge, offering diverse career opportunities. However, as AI takes on more tasks, the workforce must adapt by emphasizing creativity, critical thinking, and emotional intelligence—skills that machines cannot replicate. Embracing continuous learning will be essential for professionals looking to thrive in this rapidly changing landscape.
